

YALE DIVINITY SCHOOL AUDITING REGISTRATION FORM

Individuals in certain categories are eligible to audit classes with the permission of the instructor during the regular academic year. Those individuals who are in the categories listed below may audit courses without charge. For all others, the auditing fee will be \$250 per course. No persons in categories other than those listed are permitted to audit courses in Yale Divinity School. The Registrar's Office does not keep a record of any course audited. It is not possible, therefore, for a student's transcript to show that a course has been audited, or for a transcript to be issued that records the auditing of a course. It is the usual expectation that an auditor does not take tests or examinations or write papers for a course for evaluation by the instructor. An application must be obtained from the Admissions Office.
