

YALE DIVINITY SCHOOL AUDIT REGISTRATION FORM

Individuals in certain categories are eligible to audit classes with the permission of the instructor during the regular academic year. Those individuals who are in the categories listed below may audit courses without charge. For all others, the auditing fee will be \$500 per course. No persons in categories other than those listed are permitted to audit courses at Yale Divinity School. **The Registrar's Office does not keep a record of any course(s) audited. It is not possible, therefore, for a student's transcript to show that a course has been audited, or for a transcript to be issued that records the auditing of a course.** It is typically expected that an auditor does not take tests or examinations or write papers for evaluation by the instructor. Individuals must contact the instructor directly for permission and secure their signature before returning this form to the Admissions Office.
