Notes on Contributors ............................................................................ 251

Instructions to Contributors .................................................................... 254

Note. The editors wish to thank the typesetter Gonni Runia once again for her tireless work on this volume. They wish to express their thanks to Kyle Conrau-Lewis (Melbourne) for his assistance with the bibliography, and also to Sister Lisa Marie Belz OSU, and Najeeb Haddad, for meticulously proof-reading the final manuscript. As in previous years we are deeply grateful to our publisher, The Society of Biblical Literature, and to Leigh Andersen and Kathie Klein, for making the publication of the Annual possible.
