How To Log into DivLink
Resources for Using DivLink

Supervisors can log in to DivLink by following these steps:

2. Your **username** is the email that the Office of Supervised Ministries uses to contact you (this is your unique ID in DivLink).
3. Enter your password or click “Forgot Password.” A temporary password will be emailed to you. The only time you will need to “Register for a new account” would be if I have never entered an email address for you.

4. When you log in, you will see your Home page with several tabs across the top.

Please don’t hesitate to contact the Office of Supervised Ministries if you have any difficulty with this procedure.
