Position

Associate Rector

Christ & Holy Trinity Episcopal Church
Westport, Connecticut

Christ & Holy Trinity is an historic parish in the downtown arts community of Westport, CT, located within the Episcopal Church in Connecticut and geographically situated on the shores of Long Island Sound; about an hour from Manhattan. Our buildings are iconic and beautiful but always understood as tools for ministry, outreach, justice, hospitality and healing for our parish and the wider community. They are in near-constant use. Our approximately 400 active parishioners of all ages are spiritually hungry, attuned to the questions of the day, and engaged in expressions of social justice and advocacy while working alongside our neighbors to serve the world around us. Joyful, reverent worship is at the heart of our life and is celebrated in a range of styles from traditional to contemporary; we are always seeking to be deeply human, creative and never stuffy. The beauty of music fills our sanctuary and our souls.

We invite you to join our Rector, skilled and talented staff, and deep pool of dedicated lay ministers in the pastoral leadership of this forward-moving community of faith. As Associate Rector you will share in a wide range of parish ministry with special oversight of ministries with youth and families. We are open to hearing where your gifts and passions meet God’s mission in this place. We seek a priest/pastor who attends to their spiritual and emotional health and development, and is committed to growing deeper as a disciple of Jesus and encouraging others to do the same.
