

GOD IS WITH US... YOU SHOULD BE TOO!

St. Paul United Church of Christ has stood at the heart of the Downriver communities, suburbs of Detroit, for more than 130 years. In that time, the world has changed, and our congregation has changed along with it. But some things remain unchanged at St. Paul United Church. Namely, our devotion to God, our commitment to be Christ's faithful disciples, and the gladness with which we serve the wider community.
