We are searching for a curate or associate priest to work with our long-time pastor, who will retire in fall 2023.

The candidate will transition to a Priest-in-Charge role after the first year, and lead our congregation for two more years until a new Rector is seated.

The candidate will:
- Learn what makes ECI a special and vibrant community and help us to transition to a new rector.
- Share planning, preaching, and presiding with the rector and with lay people.
- Help us work through change and challenges. Help us discern our ongoing purpose and mission.
- Seek and learn with us.
- Assist and lead members in discerning their callings. Support members’ ministries.
- Work with our pastoral care team to facilitate mutual support within our community.

The Church of the Incarnation is a progressive, creatively experimental Episcopal congregation and Interfaith Community that strives to live out the vision of the Beloved Community by being multi-racial, inclusive, and centered around the teachings and practices of Jesus, while working for the day when all will know themselves and one another as beloved.
