

1501 SUNSET AVENUE
ROCKY MOUNT, NC 27804
WWW.LAKESIDETCHURCHMT.ORG

Our minister of 25 years has announced his retirement effective as of January 31, 2024, and we are seeking a new senior minister to begin on May 1, 2024, following a three-month interim period. While our minister's departure from our pulpit is sad, it also offers an opportunity to provide new spiritual

leadership for our church and bring in new ideas and renewed vigor. To know more about Lakeside Church, we encourage anyone interested in this position to (i) view our Church Profile and 2022 Strategic Planning report which can be accessed on the PASTOR SEARCH page of our Church's website <https://lakesidechurchrmt.org>, (ii) view our worship services and orders of worship which are on our website and (iii) view our current activities and programs in effect from time to time which are also reflected on our website. We hope to attract a new senior minister and spiritual leader who will appreciate and respect Lakeside's foundation and approach and lead and help us build upon it to grow and reach out in exciting ways.

As the spiritual guide of the congregation, the senior minister performs duties relating to the leadership of worship, preaching, teaching, counseling, visitation, and other activities

which will enrich the religious life of the church and community. As the administrative head of the church, the senior minister has general supervision of the staff and, in cooperation with the Diaconate and the Board of Finance, gives direction to the church's overall program. The senior minister is a member, ex-officio, of all boards and committees of the church. Our church supports the Cooperative Baptist Fellowship and the Alliance of Baptists.

A Master's Degree in divinity/religious studies is required.

Applicants should submit a resume to Sam Johnson, Pulpit Committee Chairman, by email at samueljohnson9947@gmail.com.
