New Position for an Ordained Pastor (Deacon or Priest)

The Cathedral Church of St. Paul seeks ordained and soon-to-be-ordained candidates for a new full-time staff position - MANNA Pastoral Associate, focusing on ministry with the unhoused community on and near Boston Common. This position is being created to address the needs of our growing MANNA ministry and help the cathedral live into its new strategic plan. Preference will be given to candidates who are proficient in Spanish.

Those interested in learning more should contact the Rev. Jennifer McCracken, Head Pastor to the MANNA Community, at jmccracken@diomass.org. Full applications will be due by June 1, 2021.

Who we are:

Located on Boston Common, facing the state capital, and at the crossroads of the downtown area, the Cathedral Church of St. Paul is a “house of prayer for all people.” We serve a wide array of people and amplify the mission of the Diocese of Massachusetts to reimagine congregations, build relationships, and engage the world. MANNA (Many Angels Needed Now and Always) is a community of the cathedral composed of, by, and for people experiencing homelessness and housing instability. MANNA is a vibrant, ever-changing community in which the gifts of everyone present are invited and the wisdom of all is needed.

This Ministry:

The MANNA Pastoral Associate will assist the Head Pastor of MANNA in leading programs, retreats, and seasonal events, oversee the volunteers for MANNA’s Monday Lunch program, and offer pastoral care to members of the MANNA community in partnership with other MANNA staff. The MANNA Pastoral Associate will also provide liturgical and logistical leadership for wider cathedral programs and projects, in collaboration with the Dean and other cathedral staff.
