Attention, Middlers!
A paid internship in Maine now open for applicants.

The Episcopal parishes of beautiful Mount Desert Island, home to Acadia National Park, are seeking a talented seminarian to join us in our creative ministry for 10-12 weeks in June, July, and August of 2022 (Exact dates negotiable)

The Episcopal parishes on MDI are seeking a summer seminarian to assist with all facets of parish life. This will be a rich learning experience for a postulant or candidate for Holy Orders within the Episcopal Church who is drawn to parish ministry.

With supervision and mentoring by the Rev. Holly Hoffmann and the Rev. Stephen Muncie, the seminarian will assist in preaching, teaching, leading services of prayer, offering pastoral care, and supporting existing outreach ministries. Opportunities for creativity and innovative collaboration abound.

There will be opportunity for engagement with lay leaders and members of the parish. A stipend of $3,000, housing for a single person or couple, and $500 for travel expenses are provided. If you desire to bring a pet, we can discuss. A car is needed to serve in this ministry setting.

Please email the Rev. Holly Hoffmann at hhoffmann@mdi-episcopal.org to begin a conversation about this opportunity. Applications are being accepted now.
