Director of Children and Youth Ministries

Church Overview
St. John’s Episcopal Church is a pastoral-size parish in Oakland, California. Our vision is to manifest God’s love through invitation, inclusion, faith and action. Our parish prides itself on being welcoming, innovative and action focused. We have a great sense of humor while we engage in serious work. We like to say “St. John’s has left the building”, and we have. We are the founding congregation for Confirm not Conform, a national Confirmation program, which is now in over a thousand congregations and growing. St. John’s also co-founded a regional community organizing effort that continues to build networks and impact major policies in the region. We are seeking ways to extend our relevance to the unchurched now and in the future.
