JOB POSTING ANNOUNCEMENT

PASTOR

OVERVIEW
The Baptist Church in Warren seeks a part-time pastor to lead our congregation in its ministries, missions and spiritual life. For almost 270 years, our congregation has proclaimed the gospel of Jesus Christ, engaged in social activism, aid for the homeless, fed and clothed those in need, among other community outreach efforts. We have a strong core of committed Christians who eagerly anticipate a new pastor to join us on a journey to draw us closer to God and to help us discover new ways to grow and enrich our congregation.

We are centrally located between Providence and Newport and easily commutable to Boston, with a population of approximately 10,000. Settled in 1653, we have a thriving downtown offering a host of local art and antique shops and waterfront restaurants. Our church building, erected in 1844 is on the National Register of Historic Buildings.
